The screenshot shows a form with a green sidebar on the left. The sidebar contains a large 'H' icon, a home icon, a document icon, and a person icon. The main form area has a header with a hamburger menu icon. Below the header, there are several dropdown menus and input fields. The 'Teachers' dropdown is highlighted with an orange circle and labeled 'Select teacher'. The 'Course' dropdown is labeled 'Select course'. There are also 'Start day' and 'Finish day' dropdowns labeled 'Select day'. Below these are 'Start time' and 'Finish time' input fields with clock icons. At the bottom right, there is a green button labeled 'Add Group'.

11 Click this dropdown of course.

This screenshot shows the same form as the previous one, but with the 'Course' dropdown menu open. The dropdown list displays the following options: Defense against the dark arts, History of Magic, Astronomy, Transformations, Flight, Muggle Studies, Care of Magical Creatures, and Guessing. The 'Select course' dropdown is highlighted with an orange circle. The 'Teachers' dropdown is now labeled 'Graciela Diaz' and is also highlighted with a blue box. The 'Add Group' button is still visible at the bottom right.

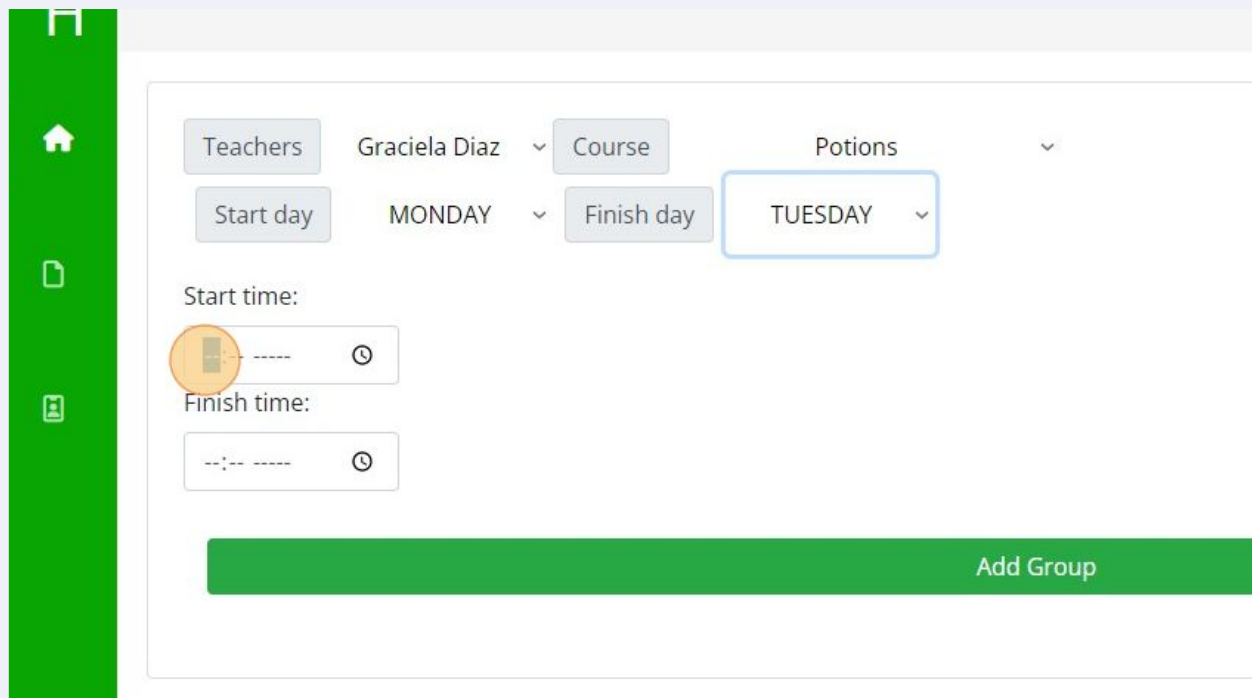

12 Click this dropdown of start day.

The screenshot shows a form with a green sidebar on the left containing icons for Home, Documents, and a user profile. The main form area has a header with a hamburger menu. Below the header, there are several dropdown menus: 'Teachers' (Graciela Diaz), 'Course' (Potions), 'Start day' (Select day), and 'Finish day' (Select day). The 'Start day' dropdown is highlighted with an orange circle. Below these are 'Start time' and 'Finish time' fields, each with a clock icon. At the bottom is a green 'Add Group' button.

13 Click this dropdown of finish day.

This screenshot shows the same form as the previous one, but the 'Finish day' dropdown is now highlighted with an orange circle. The 'Start day' dropdown is now set to 'MONDAY'. The 'Add Group' button remains at the bottom.
